Summer is finally here!

We hope everyone is now able to get out and enjoy the wonderful weather we have been having. Even though we have had a bunch of rain, and some areas of the park remain wet, the trails are in great shape and the bugs are not too bad. Hope to see you out there soon!

Easter Egg Hunt was a Success!

Speaking of hot and buggy weather – despite unusually warm temps for the end of April, we had a great turnout for the Easter Egg Hunt this year. We had so many riders....around 40...that we ran out of eggs in the bucket! We thank all of you that came out and special thanks goes to Sandra Wright and Heidi Brandemuel. Check out the photos of the fun day on the next page!

Horses are an \$8 Billion Industry in Michigan

The next time a Michigander complains about your horse...here are some fun “local” economic facts to keep in mind. Look how much our four footed loved ones “buy local” and contribute to the economy:

- 155,000 Horses in Michigan
- 60,000 Families Own Horses
- Each horse eats a ton of grain annually
- All of the horses consume 27,870,101 bales of hay
